Philanthropy
Report :
Adele Fergusson

A quilt panel with a central point from which rays of fabric extend outwards. The rays are in shades of blue, red, and grey. The background is white with scattered stars in blue, red, and grey. The panel is framed by a dark blue border.

PHILANTHROPY REPORT

Thank You

These VMQG members were busy piecing, quilting or binding this month for our philanthropies...

KIM HALAMICEK

TEDI PATTERSON

PATRICE LAMBOURNE

If you are working on a charity quilt, please contact Wendy for *batting*.

We can use larger sized quilts (approx. 66" x 85") for the older foster kids.

Baby quilts are always appreciated.

Guild Happenings:

- August 9th Trunk Show
- August 14th Workshop

Hello! We are Missy and Kimie from On Williams Street, sisters who share a passion for Quilting. We started designing quilts together in 2013 and have loved every minute of it. We have expanded to include instruction through YouTube videos and classes and have designed over 60 quilts together. Our style is big, bold, and modern. We love large elements that fill the quilt, negative space, and bright colors.

Guild Happenings:

- August 9th Trunk Show
- August 14th ZOOM Workshop
\$35 per person

Stacked Quilt Class

Come and sew one of our favorite designs! Stacked is a great pattern to learn and practice curves. This quilt has curves sized from small to large, and we will share multiple techniques to achieve precise curves and smooth piecing. We will work with 4 different tones of a color, which creates depth and interest in the final quilt. During this 6 hour class, we will cut out the fabric, construct all the curved pieces, and put together the entire quilt top.
